Cross Country Teams

Seniors

"The boys cross country team had a very successful season against strong competition at every meet. All members continued to improve through a strong sense of teamwork & dedication to each other & training. With a strong performance from all, they ended the season with a 3rd place finish at Regionals & earned a chance to run at State in Austin where they placed 7th. Good job to a great season!"

- Coach Davidson

"The girls cross country season was full of challenges with various injuries but the girls continued to persevere & leaned on each other for support. Even facing tough competition, they continued their winning tradition this year by earning a 3rd place finish at Regionals & an opportunity to run at the State meet in Austin where they placed 10th. Congratulations to a great season!"

"It brings me great pride to say that I was a part of the 2008-2009 girls basketball team. This kind of pride is a feeling between all team members that no one who is on the outside of the team can completely appreciate. It is the 'shared joy' of the inner circle of all levels of the team members that is based on the amount of work and preparation done to get where we did. I want to thank each member for their determination, loyalty, and a lot of hard work. I want to thank especially the seniors for a great year. We will miss you next year. Again thanks for a great year." -Coach Armstrong

Unfortunately, we only got to play 3 District games, so the end of the season was disappointing for all of us (the girls & I). But...this was the best basketball team I have ever coached, & they were so fun!!! I never knew what to expect day to day, as far as what I would hear or learn about them at practice :), or who was going to do something crazy :), but these girls always gave 100% & played with their hearts! Even though I know they will be around for a few years, I will definitely miss having them as "MY GIRLS."

I realize how lucky I am
To not only have you.
But to be your best friend.

We have so many memories together
I can't even begin to count them all.
I remember when we were so young.
Playing with our Barbie dolls.

We continue to grow up more and more each day.
But still we stick together.
Because, duh, you know.
We will always be best friends forever..

Love, Lorena

Katie,

Katie I know you don't like me saying that I am proud of you, but I am so impressed at the independence you have developed over the last year. You have grown in your self-confidence and you willingness to tackle anything. In saying that, there are times I do want to pull your hair because your are soooooo hard headed. But, I guess that's one of the reason I love you SO MUCH.

Our beautiful girl-We are definitely proud of you & your achievements. It thrills our hearts to see you set goals & accomplish them through determination. You literally wrap your arms around those that God puts in your life & care for them to the deepest levels. When obstacles come your way & the storms of life are raining down, you hold your head up high pressing towards the goal the entire journey. It is not by chance that you have chosen Philippians 4:13 as your life verse. You live what Paul says: "I can do all things through Christ that strengthens me." We look forward to seeing what all God has in your future as you continue to live out these words. Love, Mom & Dad

Emmanuel "Walo" Trevino

We have watched you grow from our little beautiful baby boy to a handsome young man. There are no words to express how proud we are of your accomplishment of graduating high school, & pursuing college. If at times it seemed that we were hard on you it was only because we knew this day would come, & we wanted you to be ready & prepared. Please don't forget the Christian values & morals that you were raised by & with. Keep God first & you will accomplish much more in life.

We Love you,

We have watched you grow from a tiny infant to a fine young man. It seems like it happened in the blink of an eye. One minute you were a curly-headed toddler, and suddenly you were a young man experiencing all life has to offer. We are very proud of you and can't wait to see what the future brings.

My Wish. . . .
I hope the days come easy & the moments pass slow
And each road leads you where you want to go
And if you're faced with the choice & you have to choose
I hope you choose the one that means the most to you
And if one door opens to another door closed
I hope you keep on walking 'til you find the window
If it's cold outside, show the world the warmth of your smile
But more than anything, more than anything
My wish for you is that this life become all that you want it to. Your dreams stay big, your worries stay small
You never need to carry more than you can hold
And while you're out there gettin' where you're gettin' to
I hope you know somebody loves you & wants the same things too. Yeah, this is my wish I hope you never look back but you never forget. All the ones who love you & the place you left I hope you always forgive & you never regret & you help somebody every chance you get. Oh, you find God's grace in every mistake & always give more than you take But more than anything, yeah more than anything
This is my wish I hope you know somebody loves you
May all your dreams stay big
